prise any of the Elders of approaching danger of mob violence. I thought the neighborhood about Hyton was composed of civilized people, but it appears as though there are a few heathen among them now, as they bear the fruit of the heathen, and by their fruit ye shall know them. I used to think the people there were bringing forth the fruits of the Spirit, such as love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance, etc., which Paul says are the fruits of the Spirit; and as there are so many of the citizens of that neighborhood that profess to be "Christians," and claim to possess the fruit of the Spirit of God, I am surprised to think that among so many of the children of God as they claim to be, that the Spirit of God did not manifest itself at the time the mobs were being formed, and prompt the "Christians,"

appointment made a few days previously. They arrived at the meeting place a few minutes before the hour appointed for service, and were standing in front of the building awaiting the coming of an audience, when they were surprised and shocked at seeing seven men, armed with shot guns and pistols, ride up and ask them, in no polite terms, "if they were them 'Mormon' preachers."

On being informed they were, the leader of the mob said they would have to leave the country.

The Elders offered a few words of remonstrance, but were quickly silenced by curses and angry threats, and told to prepare themselves to march.

Having no other alternative, they reluctantly proceeded to obey the mandates of their captors.

At Chattanooga, Tenn., June 28, 29 and 30 a very profitable conference of conference presidents of the Southern States mission was held. These meetings are thus far peculiar to this mission. When Elder Rich came here some four years ago, in his endeavors to advance the interests of the mission he conceived the idea of calling together all the presidents of the various conferences throughout the mission that they might have the opportunity of exchanging ideas, thus lending each other mutual assistance, and of becoming more conversant with the policy of the mission. By this interchange of views and means of conducting conferences, old rules would be gotten out of and "new blood" injected into the entire Southern States mission. In consequence such a conference was called and was productive of so much good that they have since been held annually.

There were present representatives of the eleven conferences of the mission, besides Elder Rich and his office force: Elder Nye, formerly of the California mission; Elder McQuarrie, of the Eastern States mission; and the presidents of the two West Virginia conferences that will be transferred from the Eastern to the Middle States mission.

The opening session of the conference was held in the parlor of the Rossmore hotel at 10 a. m. Saturday, June 28. Elder Ben E. Rich extended greetings. The speaker likened the mission to the blood system of the body. Conference presidents are the great arteries of the mission, conveying the spirit and life in the conference, thus making of the

Kidney Disease Kills.

Its Victims Numbered by the Hundreds of Thousands.

Kidney diseases should be attended to at once, for almost 90 per cent of our unexpected deaths of today are from that cause. Dr. David Kennedy's Favorite Remedy is the only sure cure known for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. It is marvelous how it stops that pain in the back, relieves the necessity of urinating so often at night, drives away that scalding pain in passing water, corrects the bad effects of whiskey and beer and shows its beneficial effects on the system in an incredibly short time.

George L. Smith, foreman of the Holley Manufacturing Company's Works, Lockport, N. Y., says in a recent letter:

"I have used Dr. David Kennedy's Favorite Remedy with the most beneficial results. I was troubled with gravel and kidney complaint very severely. It bothered me a great deal, and I have found great relief from its use, and cheerfully recommend it."

It is for sale by all druggists, at \$1.00 a bottle, or 6 bottles for \$5.00—less than one cent a dose.

Sample bottle—enough for trial, free by mail.

which he was assigned June 6, 1900. He labored in Kentucky 18 months, and seven months in the Florida conference, where he met with fair success. The work is making excellent progress among the hospitable people of the South.

Elder Hyrum S. Winterton, of Charleston, Wasatch Co., Utah, returned July 21, from the Eastern States mission, whither he was sent June 20, 1900. He labored in the Maryland and East Pennsylvania conferences where some are joining the Church and others becoming friendly. He greatly enjoyed his labors and returns in good health.

Elder Joseph H. Welling of Riverside, Boxed county, also returned July 21, from the Eastern States mission, where he has been laboring as a missionary since Feb. 23 last. The mission is in a prosperous condition, much interest is being awakened among the Europeans at New Plymouth, North Island, and the work is gaining ground throughout the conference. The Elders are given ample police protection, mobbing and active opposition being things of the past.

Elder Ernest R. Kimball of this city returned June 23 from a mission in the Western States mission, to which he was set apart April 12, 1900. He labored principally in Allegheny City, where a splendid work is being done, through the Elders in that city are now quarantined on account of two cases of smallpox among them. Elder Kimball visited all the conferences from New York to Pittsburg, and greatly enjoyed his labors.

Elder L. P. Larsen of Cleveland, Utah, reports in a letter dated that place, July 22, that on the 12th inst. he returned from a mission to the Northern States, for which he was set apart June 6, 1900. Arriving at mission headquarters he was assigned to labor in the Michigan conference, where his time was employed until released. During the last six months of his mission he acted as superintendent of construction, and he is assisted by the members of the committee together with an advisory board consisting of 30 substantial members of the ward.

The other members of the executive committee are W. H. Darley, Heber Parson, Bishop W. H. Maughn, Joseph R. Howell and John H. Maughn who is secretary.

The vigor and success with which the work is being prosecuted is due to the able men who are in charge of it. Bishop Evan R. Owen is the chairman of the executive committee and also the superintendent of construction, and he is assisted by the members of the committee together with an advisory board consisting of 30 substantial members of the ward.

The other members of the executive committee are W. H. Darley, Heber Parson, Bishop W. H. Maughn, Joseph R. Howell and John H. Maughn who is secretary.

The "News" as a daily visitor is much welcomed and greatly appreciated.

Change of Address. Elder E. H. Nye announces that the headquarters of the Southern States mission has been removed and that the address is now Box 331, Atlanta, Ga.

RETURNED MISSIONARIES Elder Joseph H. Larson, of Thatcher, Ariz., reached this city en route home July 25, from the Northern States mission, to which he was set apart May 11, 1900. He proselyted principally in Chicago till October last, when he went to labor in Wisconsin. Both fields he reports to be in excellent condition, good work being done in each. He returns in good health and enjoyed his ministry.

Elder Robert J. Evans of Lehi returned July 21 from missionary labors in the Southern States mission, to
